

The Virginia Maryland College of Veterinary Medicine is actively seeking a manager for its Comparative Oncology Research Center (CORC) in Roanoke, Virginia. This position will be responsible for managing the daily operations of CORC on a direct basis to ensure effective and efficient operations. The manager is responsible for developing and maintaining a culture that promotes a positive customer experience and maintaining an operation that is welcoming to clients, their pets and referring veterinarians. This position requires the ability to be on-call 24/7 to handle urgent operational and staffing issues. Other duties may be assigned by VMC leadership. Hours vary and are based upon business needs.

For more information and to apply online, interested candidates should go to [www.jobs.vt.edu/hr](http://www.jobs.vt.edu/hr) and search for posting #AP0190196. Review of applicants will begin 7/3/2019. For more information about the VMCVM, visit our website at [www.vetmed.vt.edu](http://www.vetmed.vt.edu).
