

The College of Veterinary Medicine invites applications for a Registered Veterinary Technician to join the Anesthesia Section of the Veterinary Teaching Hospital under the direction of the coordinator and faculty Veterinary Anesthesiologists. The RVT will work as a team member to provide anesthesia service for surgical, medical and diagnostic cases of small and large animals, problem solves issues, and review patients' medical histories to determine appropriate pre-anesthetic and anesthetic agents to be administered. The RVT will administer anesthesia and monitor patient conditions and responses throughout the procedures and during recovery phase. The RVT will also enter charges into hospital information system, stock supplies, and maintain anesthesia equipment. The RVT will be expected to mentor, guide, and assist with instructing students on anesthesia techniques, agents and equipment. RVT will be required to participate in emergency on-call anesthesia services and coordinate daily patient schedule on a rotating basis. Typical work hours are 9:00am - 6:00pm, but may change due to departmental needs or case load. Hourly rate is \$13.50-\$16.50. Applicants must be a Registered Veterinary Technician with the state of Ohio. Interested candidates are invited to apply via <https://www.jobsatosu.com/postings/81283>.
