

Virginia Veterinary Specialists  
Charlottesville VA 22901  
Specialty Referral Hospital – Internal Medicine, Surgery, Cardiology and Dermatology

Virginia Veterinary Specialists is looking for motivated licensed veterinary technicians interested in providing the highest level of veterinary care in a supportive, team-oriented environment. We currently have openings in our surgery/anesthesia, overnight and internal medicine departments.

Primary responsibilities for the overnight position are patient care for surgery, internal medicine and cardiology services.

As an internal medicine technician you will be working with our Board Certified Internists. Helping with patient care, assisting the doctors with procedures, as well as client education, are just a few duties for this position.

Surgery/anesthesia technicians will be working with our Board Certified Surgeons. The position includes anesthesia, assisting in surgical procedures, radiography, patient care and client services.

We offer a competitive benefits package which includes CE allowance, 100% paid health and dental insurance, 401k/profit sharing, paid license and dues, uniform allowance, gym membership, paid holidays, personal and vacation time, life insurance as well as a long term disability policy.

If you are interest please submit a resume to Shannon Harlow, Hospital Administrator at [sharlow@vavetspecialists.com](mailto:sharlow@vavetspecialists.com).
