

The Triangle's premier Emergency and Specialty Hospital is seeking a highly motivated, highly skilled individual to lead our surgery team as well as skilled surgery technicians to join that team. We provide 24-hour emergency service and specialty referrals in surgery, internal medicine, cardiology, oncology, and radiology, as well as dermatology and ophthalmology clinics, and we're looking for technicians who want to utilize their skills to the fullest potential in a fast paced, fun, and stimulating environment.

We are expanding our surgery department which currently consists of two board certified surgeons, three surgery technicians and two surgery assistants. Members of the surgery team function with a great deal of autonomy and responsibility. Solid technical skills and anesthesia knowledge base, sound judgment, and the ability to function both independently and with a team are required. Strong communication skills, verbal and written; organizational skills; proactive thinking and the right attitude are also a must. Duties include venipuncture; IV catheter placement; medication calculations and administration; digital radiography; patient prep and recovery; anesthesia monitoring for a variety of anesthetized procedures including endoscopy, CT, soft tissue surgeries, orthopedic surgeries and laparoscopic procedures. Job description for Lead Surgery Technician available upon request.

We offer competitive pay, flexible scheduling, a CE budget, a uniform allowance, a generous benefits package, an in-house training program, retirement plan and \$1000 hiring bonus. Our new 13,000 square foot facility, advanced equipment (including digital radiography, ultrasound, endoscopy, laparoscopy, and CT) and services allow plenty of opportunities for growth.

Positions available at our Durham and Holly Springs locations. These are not entry level positions, so licensed or experienced applicants only.
