

Port City Veterinary Referral Hospitals in Portsmouth, NH is looking for a full-time Veterinary Technician for our Surgery department.

About Port City: At Port City our mission is to advance the veterinary profession through our leadership in medicine, education, business and promotion of the human-animal bond. We strive to bring together caring, warm and intelligent people who love to serve and help and are among the best in their field.

About the Job: As a Vet Tech in the Surgery Department you will be responsible for:

- Solid technical skills and anesthesia knowledge base, sound judgment, and the ability to function both independently and with a team are required
- Venipuncture; IV catheter placement; medication calculations and administration; digital radiography; patient prep and recovery; anesthesia monitoring for a variety of anesthetized procedures including endoscopy, CT, soft tissue surgeries, orthopedic surgeries and laparoscopic procedures.
- Assisting doctors during patient appointments, providing outstanding client communication and education
- Performing sterile scrub and assist doctors throughout surgical procedures including abdominal explores, cruciate repairs, fracture repairs, thoracotomies, and both laparoscopic and arthroscopic surgeries.
- Advocating for the patient, providing exceptional comfort, diagnostic, surgical, and nursing care to all patients
- Knowledge of the equipment and materials used and their availability and applications
- Primarily day shifts that including a regularly scheduled weekend shift, as needed

About You:

- Minimum 2 years' experience in the veterinary field with anesthesia experience a must
- Strong communication skills, verbal and written; organizational skills; proactive thinking and a positive attitude are also a must
- Accuracy in calculating and delivering anesthetic agents, fluids, and CRIs
- Proficiency in record keeping related to medical procedures including daily treatments administered, patient status, procedures completed, supplies used, and anesthetic records
- Review and understanding of all medical records pertinent to patient care
- Comprehensive understanding and experience with anesthetic monitoring is required
- CVT, LVT, or VTS preferred
- Ability to work in a highly collaborative environment and a commitment to developing long-term relationships with colleagues, clients, and community is required
- Maintain a positive outlook and ability to work well in stressful situations
- The ability to deliver exceptional client service is a priority.

Benefits of Working at Port City Veterinary Referral Hospital:

- Compensation is based on experience and skill level.
- Full-time benefits include health with an *optional 100% employer paid plan*, dental, vision, disability and life insurance, flex-spending account, 401(k), Employee Assistance Program, paid time off, uniforms, and a generous CE allowance.
- Ability to cross train in other specialty departments such as ER/ICU, Internal Medicine, Ophthalmology, Sports Medicine and Rehabilitation, and Radiology.
- Working in a team environment where every department works out of a large open treatment area facilitating team work and comradery between departments.
- Consistent scheduling to allow for a work/life balance.
