

UW Veterinary Care

UNIVERSITY OF WISCONSIN - MADISON

University of Wisconsin School of Veterinary Medicine, Madison, WI

The School of Veterinary Medicine at the University of Wisconsin-Madison is seeking a **CVT** to be part of our team in the **Anesthesia Department** in our [UW Veterinary Care](#) (full-service hospital).

We currently have a full-time permanent vacancy that offers a comprehensive benefits package that includes paid leave. Work schedule is Monday – Friday: 8:45am - 5:15pm including a 30 minute lunch. This position is required to work approximately 3-5 on-call 12 hour shifts/month and some holiday on-call. On-call requires you to report for work within 30 minutes for emergency veterinary services provided by the UWVC.

Must be a CVT or eligible to obtain your license to apply. Highly qualified candidates will possess the following:

- a minimum of 1-year experience providing anesthesia,
- including the ability to provide anesthesia to a variety of species of animals;
- ability to assist with instruction of 4th year students,
- ability to make independent decisions which can affect the quality/outcome of animal life;
- function calmly in stressful life and death situations;
- possess excellent communication and technical skills;
- knowledge of physiologic monitors used in anesthesia.

Special consideration given to: **Technicians with Veterinary Technician Specialty in Anesthesia (VTS)**.

UW Veterinary Care is a busy and growing practice providing specialize care in a university teaching environment. More information about UWVC can be found [HERE](#).
