

[Port City Veterinary Referral Hospitals](#) is looking for a full-time or part-time **Veterinary Technician for our Surgery department.**

About Port City: At Port City our mission is to advance the veterinary profession through our leadership in medicine, education, business and promotion of the human-animal bond. We strive to bring together caring, warm and intelligent people who love to serve and help and are among the best in their field.

About the Job: As a Vet Tech in the Surgery Department you will be responsible for:

- Perform anesthetic monitoring including intubation/extubation of patients, monitoring vitals, and troubleshooting of machines
- Obtain and prepare various blood samples for diagnostic testing
- Accurately take and process multiple types of radiographs
- Assist doctors during patient appointments
- Perform sterile scrub and assist doctors throughout surgical procedures including abdominal explores, cruciate repairs, fracture repairs, thoracotomies, and both laparoscopic and arthroscopic surgeries.
- Provide comfort, diagnostic, surgical, and nursing care to all patients
- Shifts are primarily days, but flexible to include weekend shifts as needed

About You:

- Minimum of 1 year of experience working in a veterinary hospital setting required. Candidates with an Associate's or Bachelor's degree in Veterinary Technology will be considered.
- Comprehensive understand and experience with anesthetic monitoring is required
- CVT, LVT, or VTS preferred
- Ability to work in a highly collaborative environment and commitment to develop long-term relationships with colleagues, clients, and community is required.
- Maintain a positive outlook and ability to work well in a collaborative environment.
- Excellent communication and organizational skills are required, and the ability to deliver exceptional client service is expected.

Benefits of Working at Port City:

- Compensation is based on experience and skill level.
- Full-time benefits include health, dental, vision, disability and life insurances, flex-spending accounts, 401k, profit sharing, Employee Assistance Program, paid time off, uniforms, a generous CE allowance, and a veterinary discount at all IVG locations.
