

The Veterinary Specialty Center of Seattle is looking for Licensed Veterinary Technicians to join our Surgery team!

Generous Sign On Bonus Offered, plus an opportunity for professional development!!

If you are a visionary who wants to use your technical skills; if you are dedicated to gold standard veterinary care; if you want to grow and be challenged beyond your current role, then VSCS may be the place for you to shine!

Our ideal candidate will demonstrate the following:

- 1-2 years of clinical veterinary experience as a Licensed Veterinary Technician (Experience in Specialty or strong anesthesia skills preferred)
- Positive work attitude and commitment to a stress-free environment for our patients
- Schedule flexibility; Available to work weekends and holidays
- Ability to work in a fast-paced environment
- Provides excellent patient care and customer service
- Comfortable working with computer software to complete patient records and treatment; Knowledge of EzyVet and SmartFlow a plus!

The Veterinary Specialty Center of Seattle is a 24-hour Emergency and Critical Care and Specialty hospital. VSCS offers a collaborative approach to veterinary medicine. We support Emergency and Critical Care, Neurology, Surgery, Internal Medicine, Cardiology, Oncology and Radiology, all in one hospital. We practice progressive medicine in a state-of-the-art facility that houses CT, MRI, Interventional Radiology, endoscopy, echocardiography, chemotherapeutic services, stem cell therapy, acupuncture and more. We pride ourselves on providing compassionate medical care and exceptional client service.

The Veterinary Specialty Center of Seattle offers multiple medical, dental and prescription plan benefits for full-time employees. We also offer PTO, 401K, CE Allowance, and provide uniforms at no cost to you. We support those wishing to obtain their VTS and have programs in place to help you advance with mentorship and special CE opportunities. Signing Bonus and/or Relocation Stipend potentially available for the right candidate.

If you are looking to utilize and advance your skills as a technician and want the opportunity for advancement, then apply today!

The Seattle area offers many opportunities for nature lovers, outdoor enthusiasts and city dwellers. Being a part of the Pacific Northwest, the area offers beautiful hiking, kayaking, nature walks, and beaches in the summer. Skiing, snowshoeing, and other winter sports are popular when the winter season hits. The Seattle area also boasts some of the best culinary experiences in the country. You can find top-notch theater, ballet, opera, and an ever-growing music scene. With year-round festivals, fairs and concert venues, there is always something to do.

Apply Today! Please submit a cover letter stating what your ultimate career goal is to help us find the perfect fit.
