

CHARLESTON VETERINARY REFERRAL CENTER

Charleston Veterinary Referral Center has exciting and rewarding career opportunities in our growing Surgery Department.

CVRC is a 24 hour emergency and referral center located in beautiful Charleston, SC. We have a 16,000 square foot facility with a full in-house laboratory, CT, MRI, fluoroscopy, digital radiography, ultrasound, in-house blood bank, and a dedicated intensive care unit. Our operating suites are instrumented for arthroscopy, laparoscopy, thoracoscopy, and intra-operative fluoroscopy. CVRC has specialists in the disciplines of Internal Medicine, Surgery, Critical Care, Neurology/Neurosurgery, Cardiology, Oncology, Rehabilitation, and Theriogenology. Additionally, our staff of full-time emergency doctors all have advanced training. We have several VTS technicians on staff, including VTS-ECC and VTS-SAIM and we are the ONLY VECCS Level 1 Certified Facility in South Carolina.

We are seeking motivated, personable individuals to add to our growing Surgery service. The ideal candidate would have strong communication skills, work well within a team, and have experience and comfort with anesthesia. Applicants that do not possess some of these skills will be trained in a supportive environment and are encouraged to apply.

We believe that our staff is our biggest resource and is the key to our success. We aim to engage and empower our teammates while recognizing the contributions of each individual. We welcome all applicants and compensate for experience and leadership abilities. We offer an excellent benefits and compensation package including health, dental and vision insurance, pet insurance, paid vacation, CE contributions, 401k and a uniform allowance. We also offer technician continuing education and financial and mentorship support to those looking to obtain their VTS certification. Generous starting bonuses are available, as well as travel assistance for interviews for out-of-state applicants.

Charleston has been rated a top relocation destination, as well as one of the most people and animal friendly cities in the country. Come join our team!
