The Veterinary Specialty Center of Seattle is hiring a Veterinary Technician Training Supervisor to join our DYNAMIC team!

The Veterinary Technician Training Supervisor will perform general technician duties while also observing and evaluating other technicians and assistants in order to train, guide, and aid them.

Our ideal candidate:

- has a minimum of 5 years clinical experience as a Licensed Veterinary Technician (LVT)
- Veterinary Technician Specialty (VTS) certification a plus
- possesses a positive work attitude and commitment to a stress-free environment for our patients
- has schedule flexibility and is available to work weekends and holidays
- is able to work in a fast-paced environment
- demonstrates the ability to supervise and manage a team
- demonstrates proven training curriculum
- provides excellent patient care and customer service
- is comfortable working with computer software to complete patient records and treatment; Knowledge of EzyVet and SmartFlow a plus!

Job responsibilities include:

- educating other technicians
keeping our technical team on task
- setting a good example for staff

Veterinary Technician Training Supervisor Skills:

- proficient in inpatient and outpatient technician duties
- have a working knowledge of surgical and laboratory techniques
- be able to coordinate with the veterinarians so that appropriate protocols are followed in both patient care and client service

Why work at Veterinary Specialty Center of Seattle?

The Veterinary Specialty Center of Seattle (VSCS) is a 24-hour Emergency and Critical Care and Specialty hospital. VSCS offers a collaborative approach to veterinary medicine. We support Emergency and Critical Care, Neurology, Surgery, Internal Medicine, Cardiology, Oncology and Radiology, all in one hospital. We practice progressive medicine in a state-of-the-art facility that houses CT, MRI, Interventional Radiology, endoscopy, echocardiography, chemotherapeutic services, stem cell therapy, acupuncture and more. We pride ourselves on providing compassionate medical care and exceptional client service.

At VSCS, we invest heavily in our employees with many opportunities for growth and development!

We offer outstanding benefits including medical, dental, vision, and life insurance, paid time off, continuing education, generous pet discounts and much more! Signing Bonus and/or Relocation Stipend available for qualified candidates.

The Seattle area offers many opportunities for nature lovers, outdoor enthusiasts and city dwellers. Being a part of the Pacific Northwest, the area offers beautiful hiking, kayaking, nature walks, and beaches. Skiing, snowshoeing, and other winter sports are popular when the winter season hits. The Seattle area also boasts some of the best culinary experiences in the country. You can find top-notch theater, ballet, opera, and an ever-growing music scene. With year-round festivals, fairs and concert venues, there is always something to do.

Visionaries who want to use their incredible skills and teach other veterinary professionals those skills, and who are dedicated to practicing the gold standard of veterinary care; VSCS is the place for you to shine!
