NOW HIRING VETERINARY TECHNICIANS LOOKING FOR THEIR NEXT CHALLENGE.

[medvetforpets.com/careers](http://medvetforpets.com/careers)

MedVet is a fast-growing Emergency and Specialty provider with over 22 different locations across the US. We help our patients receive advanced medical treatments and innovations. Things like chemotherapy and radiation, cardiac ablations, treatments for glaucoma, physical rehabilitation, dermatology and so much more! We are looking for collaborative and driven people to join our clinical team.

We thrive on people living out our core values of Teamwork, Leadership and Compassion to get their job done. Use your passion to drive the MedVet experience for our clients and patients, as well as your teammates. View our open positions and apply at [www.medvetforpets.com/employment](http://www.medvetforpets.com/employment).

MedVet is looking to hire Registered Veterinary Technicians to join our Anesthesiology teams in multiple locations including:

- Boise, Idaho
- Cincinnati, Ohio
- Columbus, Ohio
- Dayton, Ohio

**Responsibilities:**

- Assist in patient procedures utilizing proficient knowledge of anesthesia and analgesia related protocols and procedures, including formulating anesthetic plans tailored to individual patient needs.
- Manage appointments: obtain histories, medical record keeping, invoicing, patient discharges, etc.,
- Intravenous catheter placement, endotracheal intubation and anesthetic equipment use and maintenance
- Thorough understanding of anesthetic considerations and how comorbidities affect case protocol and perioperative management
- Monitor anesthesia, trouble shoot anesthetic complications and make appropriate interventions
- Continuous expansion of knowledge and skillset; advanced anesthetic skills include arterial line placement, epidurals, difficult airway intubation, and critical case management.

- Lean on thorough understanding of physiology and pharmacology to facilitate delivery of appropriate anesthetic care for high risk patients or procedures.
- Drive the MedVet Experience and ensure our patients receive the highest quality care
- Inspire, teach, multitask and be a highly functional team member
- Ensure documentation is accurate and complete

**Qualifications:**

- State Registered Veterinary Technician license required (Ohio, Idaho)
- Prior veterinary experience required, previous Anesthesia experience desired
- Proficient in calculations (drugs, constant rate infusions, unit conversions, etc.)
- Flexibility with work hours and able to work additional hours when necessary
- Ability to work efficiently in a fast-paced environment
- Excellent verbal and written communication skills

**Benefits available to full time employees include:**

- Continuing Education Opportunities & Assistance Program
- Comprehensive Health Benefits, including Vision and Dental
- 401k with a Company Match
- Paid Time Off available from start date
- Shift Differentials and On-Call Pay
- Uniform Allowance
- Employee Pet Discounts
- Long Term Disability
- \$500 Sign-on Bonus available to Registered Veterinary Technicians

Employment with MedVet requires the completion of an acceptable background check and pre-employment drug test.
