An **amazing** opportunity for a **Veterinary Technician** to join the team at **Eye Care for Animals Havertown and Keystone Veterinary ER!**

The ideal candidate:

- is a CVT/LVT with at least 3 years of experience after graduation
- has strong anesthesia monitoring skills
- has strong communication skills
- works well on a team
- comfortable working in a fast-paced environment

Job Overview:

This position will have some days working with the Ophthalmology department and some days with the ER division. Practice hours are Monday through Friday, 8am-5pm. Shifts will total 30-40 hours per week. Must be available for weekend and weekday on-call rotation for Eye Care For Animals; additional compensation provided. Occasional Saturdays for emergency on-call only. Occasional travel required for Eye Care For Animals equine, zoo and aquarium appointments. Travel for ophthalmology specific continuing education required.

Our ideal candidate is dynamic, self-motivated, proactive with a sense of urgency, has critical thinking skills, and strives to provide excellent customer service. Other successful qualities include:

- able to calculate basic medical math
- knowledge of commonly used medications
- Proficient in IV catheters placement, blood work, and IV, IM and SQ injections
- Efficiently pre-medicate, induce, and intubate patients as necessary
- should be highly motivated, enthusiastic self-starter with a professional attitude
