

# Veterinary Emergency & Specialty Hospital

*Dedicated to supporting veterinarians and providing compassionate and exceptional care for their patients*

## **Surgery/Anesthesia Veterinary Technician Career Opportunity**

We are seeking a highly-motivated anesthesia veterinary technician to join our growing surgery department at our thriving 24/7 emergency and specialty hospital. We serve Western Massachusetts, Northern Connecticut, Southern Vermont and New Hampshire pet owners and referring veterinary community. Our state-of-the-art facility provides 24-hour emergency services as well as Internal Medicine, Oncology, Surgery, and Dermatology. We offer advanced imaging (CT, fluoroscopy, digital radiography), ultrasonography, endoscopy, laparoscopy, ventilators, complete in-house lab, wireless telemetry, full in-hospital blood services and more.

Qualified candidates must be licensed/certified and have a minimum of three years' prior experience as a surgical technician in a similar setting. Must be committed to continuous learning. Effective interpersonal communication skill and the ability to remain calm and professional during stressful periods essential.

We offer an attractive benefits package that includes health and dental insurance, life and disability insurance, a 401k plan, paid vacation, CE stipend and paid time off, clothing and shoe allowance, generous employee pet discount program, family pet discount program, paid license and professional memberships, and a moving stipend.

Come live in the beautiful Pioneer Valley and Five College region that offers easy access to the best that New England has to offer in every season: spectacular fall views, and hiking/biking trails throughout the Holyoke Range and Berkshires; local skiing and snowboarding facilities and easy access to the best slopes in Vermont and New Hampshire; abundant rivers and ponds for kayaking, canoeing, boating, swimming, and fishing; and plenty of local dining establishments and cultural activities and even more within easy driving distance to Boston and New York City.

Moving stipend available for the right candidate. Check us out online at [www.veshdeerfield.com](http://www.veshdeerfield.com). Resumes and letter of interest should be sent to: Hiring Manager, Veterinary Emergency & Specialty Hospital, 141 Greenfield Rd, South Deerfield, MA 01373 or e-mail [hjohnson@veshdeerfield.com](mailto:hjohnson@veshdeerfield.com).
