

+ Premier Pet Dentistry & Oral Surgery is hiring a full time Certified Veterinary Technician with a passion for anesthesia and analgesia.

Would you like to join a reputable, growing privately owned specialty practice? Do you want to advance your career while enjoying a 4-day work week with no evenings, weekends, emergency or on call requirement? Do you want to live in a moderate climate with amazing outdoor leisure options? Do you want to work in America's #1 pet friendly city, where pets are family and pet care workers are respected? Portland is known for its inclusion and acceptance, welcoming everyone to enjoy our wonderful city! As Portland's premier referral provider of veterinary dentistry, we offer a wide variety of dental and oral surgery. Whether a pet requires a root canal, oral surgery, or orthodontics, we have the expertise to deliver the care they need. **Providing pain relief for animals is the most rewarding job there is, and we love what we do!**

+ We are proud to provide unparalleled specialized care because of the dedication and skills of our incredible team.

We are proud to provide unparalleled specialized care because of the dedication and skills of our incredible team. We believe strongly in utilizing every team member to the full extent of their abilities and providing individual autonomy within their scope of practice. As an anesthesia technician you will have direct input on the protocols and management of our surgical cases. With this great responsibility, comes above industry job satisfaction. As our staff takes care of our patients, we take care of our staff. **From paid holidays, to 100% paid healthcare, we prioritize the well being of our valued team members.** We offer the compensation and benefits you deserve in any job, but our culture and exceptional team is what sets us apart. If you're looking for a place where you can truly make a difference, apply to join the Premier Pet Dentistry team today!

+ Qualifications: 2+ years experience, current license in good standing, ability to obtain Oregon license

- + Exceptional communication skills and team mentality
- + Experience with all facets of anesthesia, including mechanical ventilation
- + Comfort with patients having ASA 3 and above
- + Familiarity with CRIs, nerve blocks, pre-visit pharmaceuticals, and multimodal anesthesia
- + Reliable transportation and ability to pass a criminal background check

+ Benefits & Compensation: 4-day work week, Monday-Thursday or Tuesday-Friday 7am-5pm

- + Competitive wage of \$28-36/hour (\$32-36 for VTS). We value your training, experience, and knowledge.
- + 100% company paid healthcare premiums with medical, life, vision, and of course dental coverage. We pay the premiums so you take home more of your hard-earned paycheck
- + \$5000 signing bonus or relocation reimbursement. We help minimize the strain of a transition to your new role.
- + Annual professional development stipend of \$1500 for VTS, \$1200 for non-VTS CVTs. We support you so you don't have to pay for anything you need to do your job and maintain your licensure.
- + 401K with 5% matching, looking out for you and your financial future
- + Plus the usual benefits: uniforms, pet care benefits, paid holidays, PTO

Do you provide gentle and compassionate animal care? Do you value attention to detail and industry best practices? Are you career oriented and driven to grow and learn? If yes, you might be perfect for this role!

If you feel that you would be right for this job, please email us at Martin@DentistryForPets.com or text 503-869-2256. You can also apply online [APPLICATION LINK HERE](#)
