

## Veterinary Technician Manager

**Meridian Veterinary Services** is an independently owned, integrative clinic in **Silver Spring, MD**. We are focused on holistic and general veterinary medicine. Our clinic is located right off the Beltway. We serve the greater Washington, DC area. At our clinic you will enjoy working with appreciative, holistic minded clients in a major metropolitan region. We offer a variety of veterinary services to a diverse clientele.

Are you a Licensed (**LVT**) or Registered Veterinary Technician (**RVT**) who would like to grow into practice management? Meridian Veterinary Services is seeking a full-time **Veterinary Technician Manager**. This role has a clear growth path into practice management and **potential partnership**.

The Veterinary Technician Manager collaborates closely with the owner, Dr. Leanne Lipton, to direct the technical team and support the operational needs of the practice. In this role you will lead a team of three veterinary assistants with plans for expansion. You will institute solutions, drive productivity, uphold physical and psychological safety, facilitate ongoing learning, advance team cohesion, and maintain high quality standards to clients and patient care. As the Veterinary Technician Manager, you will:

- Coordinate and manage inventory
- Create team member schedules
- Develop and lead a dedicated veterinary team
- Exercise detail-oriented multitasking
- Be the point person for client questions, concerns, and education

Salary: 33+/hour negotiable depending on experience and duties. Benefits: health insurance subsidy and CE.

### About you:

- 3+ years in veterinary medicine
- LVT or RVT in good standing
- Competency and flexibility in verbal and written communications
- Excitement for workflow development and efficiencies

### About us:

- An integrative veterinary practice that grew from a prosperous house call service
- One of a few practices providing veterinary services combining Eastern and Western medicine to achieve the best care for our patients. We offer Chiropractic, Acupuncture, Prolotherapy, Nutritional Consults, and other holistic modalities
