**Apply Here:** <https://bit.ly/3Fn80bS>

Are you an experienced Veterinary Technician ready to take your career to the next level? **Boston West Veterinary Emergency and Specialty in Natick, MA** is looking for a passionate, skilled technician to join our state-of-the-art **Orthopedic Surgery Service**, the first of its kind in Massachusetts!

### **What We Offer:**

- **Competitive Pay:** \$25 - \$35/hour based on skill assessment and anesthesia experience.
  - Additional compensation is available for anesthesia on-call hours provided through the ER service.
- **\$5,000 Sign-On Bonus** for licensed candidates with advanced anesthesia skills!
- **A Flexible Schedule:** Enjoy a work-life balance with three 12-hour shifts including rotating Saturdays every 4 weeks.

### **Perks & Benefits:**

- Generous **Continuing Education Allowance** and **Uniform Allowance**
- Potential for a **bi-annual bonus** tied to hospital performance—achieved for all of 2024! 🎉
- Substantial **Paid Time Off**
- **RECOVER Training** for advanced CPR skills
- **Comprehensive Medical, Dental, and Vision Insurance**
- **Short & Long-Term Disability, Life Insurance**, and **401k** with employer match
- **Employee Pet Discounts** and One-time **VTNE Reimbursement**
- 16 Week VTNE Study Group Program!

**Your Role:** As a key member of our orthopedic team, you'll:

- Guide clients and patients through their visits, working closely with our **multiple board certified surgeons** to ensure exceptional care.
- Participate in patient assessments, diagnostics, treatments, and cutting-edge procedures.
- Master anesthesia, sedations, and surgical protocols, including scrubbing in on **life-changing orthopedic surgeries**.
- Serve as a patient advocate, providing compassionate care and ensuring their comfort and safety during their stay.
- 💡 Level up your imaging skills! Our team is diving into **advanced diagnostic technology**, including CT & C-arm imaging, to support cutting-edge orthopedic procedures.

### What We're Looking For:

- At least **2 years of veterinary technician experience** in a clinical setting.
- **Bonus points if you're a CVT, LVT, or VTS!**
- **Anesthesia monitoring skills required** (strong is preferred), radiographic technique knowledge, and a passion for delivering top-tier patient care.
- An ability to work both independently and within a team, with a dedication to maintaining a **positive, supportive hospital culture**.
- **Fluent English skills (speaking & reading)** are required for the role.

**About Us:** At Boston West, we believe in empowering our team members through ongoing education, collaboration, and a commitment to professional growth. Our **10,000-square-foot, open-concept facility** boasts digital radiology, CT, ultrasound, and more. We support advanced learning and specialization through initiatives like **Ethos Discovery** and our **Clinical Trial** Initiative.

**Why Boston West?** Our newly established **Center of Excellence in Orthopedics** is setting the bar for high-quality, personalized care. You'll work closely with the renowned **Board-Certified Veterinary Surgeons** and be part of a team revolutionizing veterinary orthopedic care in the region. This is more than just a job – it's an opportunity to become a leader in the subspecialty of Veterinary Orthopedics!

**Be a part of something bigger. Join Boston West and help us shape the future of veterinary orthopedics.**
