

# Hospital for Veterinary Surgery

The Hospital for Veterinary Surgery, the first surgery-exclusive veterinary hospital in New York City, is seeking a Veterinary Technician to join our inaugural team. The hospital is opening in summer 2023.

We are inspired veterinary professionals developing a first of its kind facility to practice modern medicine in a state of the art and collaborative environment. Our brand-new facilities ensure you have the tools, technology, and support needed to succeed, grow and thrive.

The Veterinary Technician is responsible for the initial consultation and surgical recheck appointments for patients. As the initial clinical contact for clients, the role serves as a vital ambassador for HVS as well as an invaluable partner to our Surgeons, Doctors and Anesthesiologist.

## **KEY RESPONSIBILITIES:**

- Leading appointment flow, ensuring our standard of client and patient experience is met
- Collecting detailed medical histories and updating records
- Thorough evaluation of previous medical records
- Patient care inclusive of pre and post outpatient surgical care- Obtaining blood samples, removing sutures, placing bandages

## **REQUIREMENTS:**

- LVT/CVT/RVT strongly preferred
- 2 years of experience as a licensed Tech
- Experience with practice management software, ezyVet preferred
- Adaptability, being able to pivot effortlessly while demonstrating a positive attitude with clients and co-workers
- Expert time management skills
- Highly organized and acute attention to detail
- Good judgment with the ability to work ethically, independently, and responsibly
- Resourceful and collaborative problem resolution skills
- Strong and respectful written and verbal communication skills
- Dedication to excellent service for each client and patient
- Openness to feedback, coaching, and continuous learning
- Comfort working in close proximity with animals, including large dogs

## **WHAT WE OFFER:**

Life stuff:

- \$25 - \$40/hr.
- Comprehensive medical, dental and vision coverage

- Generous PTO
- Wellness support from Health Advocate, Talkspace, One Medical, Teladoc and Kindbody
- 401(k) with a company match
- Four-day workweek

Family stuff:

- Paid Parental Leave
- AFLAC voluntary benefits
- Employee pet discounts

Work stuff:

- Scrub allowance
- No overnight, on-call shifts, or major holidays
- An organization that offers growth potential, provides support, and nurtures your talents and goals
- Schedule: Tuesday – Friday, 8am to 6pm
- Unlimited CE allowance
