Licensed Veterinary Technicians and Veterinary Assistants

Full Time

Animal Medical Center of Seattle (AMCS) is looking for friendly and career minded Licensed Veterinary Technicians and Veterinary Assistants to join our hospital in Shoreline, WA.

Successful Veterinary Technician applicants will require the following experience, skills, and training to be considered:

- Currently licensed or eligible to become licensed as a Veterinary Technician in the state of Washington.
- VTS credentialed technicians or those interested in pursuing their VTS are encouraged to apply.
- Have a minimum of two years of experience in a veterinary hospital setting strongly preferred.
- Strong anesthesia skills are required for this position.
- Experience in surgical preparation of patients, maintaining sterile technique and surgical instrumentation required.
- Experience with neurology and advanced imaging (CT/MRI) procedures is highly preferred but not required.
- Displays competency in the general knowledge and nursing skills required to care for patients.
- Must be able to bend, kneel, stoop, and stand for long periods of time; can individually and frequently lift patients and inventory up to 40 pounds.

Successful Veterinary Assistant applicants will require the following experience, skills, and training to be considered:

- Has completed a basic High School level curriculum and received a diploma or GED.
- Has at least one year of veterinary experience (surgery or other specialty experience preferred).
- Experience in surgical pack preparation and proper sterilization techniques.
- Displays competency in the general knowledge and nursing skills required to care for patients.
- Must be able to bend, kneel, stoop, and stand for long periods of time; can individually and frequently lift patients and inventory up to 40 pounds.

AMCS offers a generous call-in fee.

Benefits for full time employees include: competitive hourly compensation; health; dental; IRA with a company sponsored match; Life insurance; Employee Assistance Program; long and short-term disability insurance; discounted pet care; holiday pay; paid time off; reimbursement of licensing or medication clerk fees; company provided scrubs; annual CE allowance for LVTs, financial assistant for VTS board certification.

AMCS will offer a \$3000 sign on bonus for successful applicants.
