Surgery Anesthesia & Analgesia VTS

At the Veterinary Referral Center of Central Oregon (VRCCO), you will become a vital member of a dynamic team dedicated to providing exceptional veterinary care. Our approach combines a commitment to compassionate, individualized care with evidence-based practices, ensuring strong connections between our staff and the patient-guests and pet parents we serve. Here, you will discover a culture founded on teamwork, compassion, and going beyond expectations—leading to a fulfilling and impactful career in veterinary medicine.

Why Choose VRCCO?

VRCCO is recognized as a leader in advanced pet care, offering a diverse range of specialty and emergency services designed to meet the needs of our community. We currently provide dermatology, internal medicine, medical oncology, surgery, ophthalmology, neurology, physical rehabilitation, urgent care, and emergency services. To improve the experience for our patients and help support our amazing team we have created a purpose built veterinary hospital campus, with a 26,000 sq. ft. facility to serve our community. As we work together to prioritize the well-being of our patient guests, we are equally dedicated to our heroes (employees). We invest in competitive compensation and comprehensive benefits to support your health and well-being, both now and in the future.

We are the only organization with **Vet Cadets Childcare** located at our flagship location and only a short drive from our Urgent Care facility. VRCCO has been Great Place To Work Certified since 2021. Come see the difference for yourself and be a part of our team. With abundant opportunities for continuing education and career advancement, you can develop a long and successful career with us.

Job Summary

In this dynamic role, you'll not only collaborate closely with board-certified primary surgeons to develop and implement tailored anesthetic plans that prioritize patient well-being but also serve as a leader and supportive resource for the anesthesia team. Your advanced clinical skills, deep knowledge of anesthetic protocols, pain management, and surgical procedures, coupled with your ability to remain calm and focused under pressure, will be crucial in guiding the team and ensuring optimal patient outcomes.

At the Veterinary Referral Center of Central Oregon, we uphold the highest standards of care, and you'll be at the heart of it—working efficiently, precisely, and compassionately. If you're passionate about surgical anesthesia and want to be part of an expert team delivering cutting-edge veterinary care, we'd love to have you join us!

Benefits Highlights

Medical: Multiple plan options with 70% coverage

Dental/Vision: Multiple plan options with 50% coverage

Profit sharing available for all heroes (employees)

Tenure bonuses

Savings: 401K matching program

Stipends for continuing education

Education and Experience

- Credentialed (in or process of) in Advanced Training and Education in Anesthesia and Analgesia (AVTAA).
