

Join the Northlake Surgical Team!

Veterinary Technician / Nurse

Northlake Veterinary Surgery is a three surgeon specialty practice with a primary focus on orthopedic surgery. We are seeking a Registered Veterinary Technician, or board eligible technician, to assist our surgeons and compliment our technical team. We are looking for an individual with a desire for hands on surgery exposure, which includes scrubbing into surgery, monitoring anesthesia, and being a critical part of the operating room responsibilities. Candidate should also be someone who enjoys direct client interaction. Our technicians are responsible for client education as well as patient care. Previous surgical specialty experience is not required.

We have a great staff, a vibrant work environment, and we genuinely enjoy what we do! Northlake is a unique work atmosphere in the veterinary field. We like to have FUN!

Our hospital is open Monday through Friday. No emergency hours or boarding. The position is 40 hours of work per week (4-day work week with one week day off) and a rotating Saturday morning 2-3 hour shift (1-2 Saturday shifts per month).

Benefits include: Ideal 4-day work week schedule. Minimal rotating weekend responsibility. Negotiable hourly wage based on experience/education. After 3 months of employment: Paid vacation, Paid CE, Paid licensing fees, and Health Benefits, plus a whole lot of FUN!

If interested, please email Yvette Roshto at yroshto@nvsatlanta.com or surgery@nvsatlanta.com. Also feel free to call or text 404-849-0953.
