The Animal Care Center is looking for an extraordinary certified veterinary technician to join our surgery team. We are a collaborative group of veterinary professionals, with specialists in dentistry, behavior and orthopedics. Our team is looking for a certified veterinary technician with a strong skill set and passion for anesthesia. We are a large hospital who is known for our gold standard of patient care. Anesthesia is one of the areas we excel, with a commitment that every pet who is in need of surgical care will receive the best anesthetic protocol we can provide. We strive to remain on the cutting edge of technology and partner with a board-certified anesthesiologist to review our protocols and improve our skills.

This is a growth role that we are adding to our team to meet increased demand for our services and we are interviewing for passionate leaders who share our vision for exceptional medicine and warm, personal client care. Imagine a place where your team is as close as family. We hire for culture first and at ACC we are proud of the culture that we have cultivated over the years. We are passionate about patient and client care, and we are equally passionate about each other.

We are willing to pay relocation costs for the right candidate.

Our ideal candidate will be an expert in their chosen field. We are looking for individuals who possess the following qualities and qualifications:

- Has at least 4 years of experience in veterinary medicine
- Takes personal responsibility and displays integrity.
- Enjoys a team environment and working collaboratively.
- Can effectively and professionally communicate with co-workers, supervisors, DVMs, clients, and the public.
- Enjoys teaching, training and learning; has a strong desire to share knowledge with peers and is open to learning from others.

The benefits you enjoy working at The Animal Care Center:

Beyond working with some of the best people, our team members enjoy competitive compensation and a generous benefits package. Benefits for full-time veterinary technicians include:

- Health, vision and dental
- 401k
- Pet insurance
- Discounted pet care, food and supplies
- Employee rewards program
- Paid time off
- Continuing education
- Scrub allowance

Please submit a cover letter and resume to Heather Jelks at [heatherj@animalcarectr.com](mailto:heatherj@animalcarectr.com)
