

Lyndhurst Animal Clinic has an immediate opening for a Veterinary Technician!

*****\$5000 sign-on bonus*****

As a Vet Technician, your role is to improve the quality of our patient care by assisting veterinarians with patient treatment.

The Ideal Candidate:

- Has excellent communication and client-service/customer service skills (we want to see your amazing personality!!)
- Has the ability to thrive in a TEAM-oriented environment
- Is detail oriented
- Demonstrates professional and courteous behavior toward clients and other team members
- Prioritizes multiple tasks and change focus in a fast-paced environment
- Thinks creatively and respond quickly and calmly to emergencies
- Is a self-starter and show initiative to grow and learn
- Is efficient for our veterinarians by relieving them of technical and administrative work.
- Has a flexible schedule
- Can be cross trained to work as a receptionist when needed
- Possesses a love of animals and the ability to warmly welcome and compassionately care for both clients and patients
- Preferably has 1-2 years prior veterinary technician experience at an Animal clinic
- Registered preferred, but not required.

Job Overview:

- Checking in clients and help conduct patients assessments (communication skills and enthusiastic personality are a MUST)
- Monitoring pets
- Drawing blood for lab work
- Educating clients regarding veterinary care and procedures
- Maintaining inventory
- Preparing prescriptions based on label and dosage directions from Veterinarian
- Assisting with surgical procedures (previous surgery experience is a plus!)
