

**Wake Veterinary Hospital & Urgent Care** is a 24-hour practice serving Knightdale, NC, and the surrounding communities. We are seeking experienced surgical veterinary assistants/technicians to join our team. This position requires overnight and weekend availability.

Assistant/Technician duties would include, but are not limited to:

- Triaging patients including basic injury/illness assessment, gathering patient information, and taking vitals
- Assisting with sterile surgical procedures including prepping, scrubbing, surgical suite set-up, anesthesia administration and monitoring, and patient recovery
- Monitoring of hospitalized patients including performing and recording treatments
- Assisting with radiographs including proper placement and knowledge of patient positioning
- Placing IV catheters and maintaining feeding tubes and urinary catheters
- Giving IV and IM injections
- Performing diagnostic testing and lab work
- Performing other duties as assigned

Candidates should possess at least 2 years of experience. Cornerstone experience a plus. We are seeking detail-oriented candidates with strong abilities in communication and multi-tasking. Candidates must be able to maintain a positive and professional attitude in a fast-paced environment. EOE
