Cornell University
Hospital for Animals

The best care starts with the best caregivers

Ranked consistently as one of the best veterinary colleges in the nation, Cornell University Hospital for Animals (CUHA) provides leadership in patient care, education, clinical investigation and scientific innovation. CUHA is a champion for those wanting to continue to grow professionally and personally. If you're looking to join a team dedicated to excellence in every way, consider us.

We are looking for an
Anesthesia Veterinary Technician

- To join a team of board-certified anesthesiologists, Interns, Residents and other LVT's.
- Be patient advocates for quality care and are collaborative technical instructors and guides to our DVM students.
- An ideal candidate thrives in a fast-paced, diverse environment that strongly values compassion and professional mentorship of students and fellow veterinary technicians.
- Responsibilities include, but are not limited to, providing routine and complex anesthesia techniques.

Rewards & Benefits:
- Competitive compensation
- Generous benefits package, including health/dental insurance; retirement and life insurance
- Generous paid leave provisions
- A rich array of services, programs and other benefits to help employees advance in their career and personal life
