Join CVETS — Where Expertise Meets Compassion

At CVETS, our mission is to elevate patient care through excellence, innovation, and teamwork. As a growing 24-hour emergency and specialty hospital with two state-of-the-art facilities, we're proud to serve the Southeast with advanced diagnostics, surgical excellence, and compassionate care.

We are currently seeking a Veterinary Technician Specialist (VTS) in Anesthesia & Analgesia to lead and develop our anesthesia program. This is a rare opportunity for a credentialed leader to shape the future of anesthesia at one of the region's most progressive veterinary hospitals.

Your Role: Lead. Teach. Inspire.

As the Lead VTS in Anesthesia, you'll direct and mentor a team of 10 skilled anesthesia technicians while collaborating with multiple specialty services — including surgery, internal medicine, neurology, oncology, and emergency and critical care — to ensure seamless, safe, and high-quality anesthesia care for every patient.

You will:

- Oversee and elevate the anesthesia service across all departments
- Develop, refine, and implement anesthesia and analgesia protocols
- Lead critical and complex anesthetic cases or supervise their execution
- Train, mentor, and evaluate anesthesia technicians and assistants
- Partner with our specialists to ensure exceptional perioperative care
- Manage scheduling, quality control, and equipment standards
- Foster a culture of continuous learning, teamwork, and excellence

What We're Looking For:

- Credentialed Veterinary Technician with a VTS (Anesthesia & Analgesia) (or actively pursuing certification)
- Clinical anesthesia experience in a specialty or emergency setting
- Proven leadership, teaching, and communication skills
- A passion for patient safety, pain management, and team growth
- Ability to thrive in a fast-paced, collaborative hospital environment

What You'll Love About Working at CVETS

At CVETS, we believe in supporting our people as much as our patients. You'll be part of a forward-thinking, supportive environment that celebrates growth, innovation, and professional development.

We offer:

- Competitive pay: \$35–\$50/hour (commensurate with experience)
- Generous signing bonus
- \$2,500 CE allowance annually plus paid CE days
- Comprehensive health, dental, and vision insurance
- 401(k) with employer match
- Employee pet care discounts
- Focus on work-life balance and leadership development
- Opportunities to teach, publish, and present at conferences
