PREVIOUS EXPERIENCE WITH EXOTICS IS REQUIRED. Murray Animal Hospital is seeking a full time exotics trained veterinary technician to join our expanding practice located in the central Salt Lake Valley. Our veterinary hospital offers a fast-paced environment, an updated facility and medical equipment, and we are looking for someone who will work collaboratively to delivery quality patient care.

The primary responsibilities of this position will include assisting and supporting our highly skilled exotics veterinarians with advanced diagnostics and procedures. We see a broad range of cases varying from basic wellness for all exotics species, internal medicine cases, to advanced surgical procedures and emergency care. In addition, responsibilities will include monitoring hospitalized patients, administering treatments and medications, monitoring vital signs, performing diagnostics, administering treatments, assisting in surgery, managing patient medical records, client education and correspondence, use of a veterinary software system to manage patient and client records, and providing a consistent and dependable quality experience for all clients.

The shifts needed will vary but will fall within these hours: 8:00am-6:00pm Monday through Thursday and 8:00am-9:00pm Friday through Sunday. If interested in applying, please provide a complete resume.
